THE ASSISTANT TO THE PRESIDENT

Maj. Gen. U. S. Grant 3d  
Chairman  
National Capital Park and Planning  
Commission  
Washington, D. C.

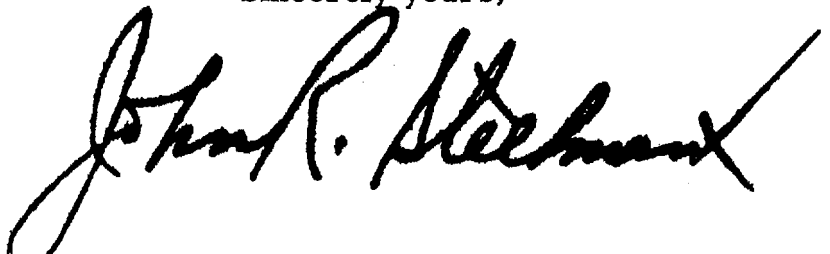

Dear General Grant:

For your information and use, I am attaching two copies of Recommendation to the President No. 13 by the National Security Resources Board (NSRB-R-13, October 27, 1948). It consists of three parts: (1) a letter of transmittal from the Chairman of the Board, (2) the Recommendation, and (3) a supporting staff report.

I am today contacting the heads of the various agencies involved in order that implementation of this recommendation may be achieved as rapidly as possible. Accordingly, I am directing your attention to the responsibilities that accrue to the National Capital Park and Planning Commission for collaboration with the Federal Works Agency in connection with Section 1 of the recommendation.

In a letter of this date I have requested Maj. Gen. Philip B. Fleming, Administrator, Federal Works Agency, to take the lead in developing the staff work necessary between your agencies in implementing this step of the recommendation. I am also assigning to the staff of the National Security Resources Board responsibility for following progress in carrying out the specific steps outlined in the recommendation, and for reporting to the President from time to time on such progress.

Sincerely yours,
